

¹Junior Programme information pack

Includes:

- Our sessions
- What to expect
- What to bring
- Safeguarding and child protection
- Club's Junior development vision and pathway

Introduction

Welcome to our Junior programme information and user pack. In this pack of information you'll find everything you need to know about our Junior programme from how the sessions are conducted and how we plan to develop.

Trowbridge Basketball Club has been going for 28years and originally had both women's and men's team's in the webba league. We also ran Sunday junior sessions with opportunities such as local tournaments and trials to develop players into teams like Bristol Flyers.

In 2021 we are heading into the 7th season for our very own men's Central venue League(TBL). Our Women are set and ready to continue their Webba campaign. We also officially started our full new Junior programme after a successful trial back in June.

There are many exciting things to look forward to this year as we expand our Junior programmes with new sessions.

Trowbridge
Basketball Club

£50 for St.Augustine's students

£10 Junior Club membership

£110 Summer camp or £25 a day

£100 multi child discount

What to expect

Our Junior programme is designed to help to teach young athletes the fundamentals of basketball as well as incorporating fitness and ensuring the sessions are fun.

You will be greeted on arrival and will be asked to confirm your name and pick-up arrangements.

We understand our young athletes may feel nervous especially in their first few sessions. We will provide continued support to help build up confidence. There is no pressure and parents are more than welcome to observe and stay for support during the session.

What to bring

Please ensure your child has the following when joining any programme;

1. Water Bottle
2. Sports trainers (No flats)
3. A bag to hold belongings such as jewellery (If required)
4. Shorts (No jeans)
5. Towel
6. The willingness to learn
7. A big smile!

Health & Safety

Ensuring your child is safe is absolutely essential for us. You can find our generic risk assessment, Child protection policy including safeguarding on our website.

Club's vision and pathway

We started our new programme only just a year ago and did so to expand and provide more Junior Basketball Development.

Our Founder Vince Marriott always wanted Trowbridge to be able to have structured team's at Junior level. So our goal for the future is to do just that! We have appointed 5 new qualified coaches that are all safeguard and First aid trained.

We are laying the foundations down to provide quality coaching to a wider age group starting in September. A huge part of our vision is to develop girls Basketball with our new girls only sessions. In fact there will be two sessions that girls can potentially join as from September.

Also new for September is the addition of an under 18s session. This will be absolutely game changing for senior development. The Cub has forever failed to fill the gap between 16yrs up to senior level play. Now we can continue to offer training to those under 18 and help them more to reach our senior team.

The new programmes create a clear pathway to develop as the child progresses through the Club. Starting as young as 6 a child can begin their journey with us and continue on the path to development up to under 18s. We hope our new development pathway will encourage some of our members to reach higher levels of play such as NL and BBL.

As part of our development pathway we will also do our best to make parents aware of the opportunities around them for example Bristol flyers open sessions and trials.
